

Guide to purchasing products at COSMOS MARKET

[to the shopping site](#)

The online crypto shopping site – to purchase tens of thousands of products using a Bcash coupon

**To purchase products at
COSMOS MARKET you
must use a coupon
created from the digital
currency Bcash - the
coupon can be purchased
using digital currency**

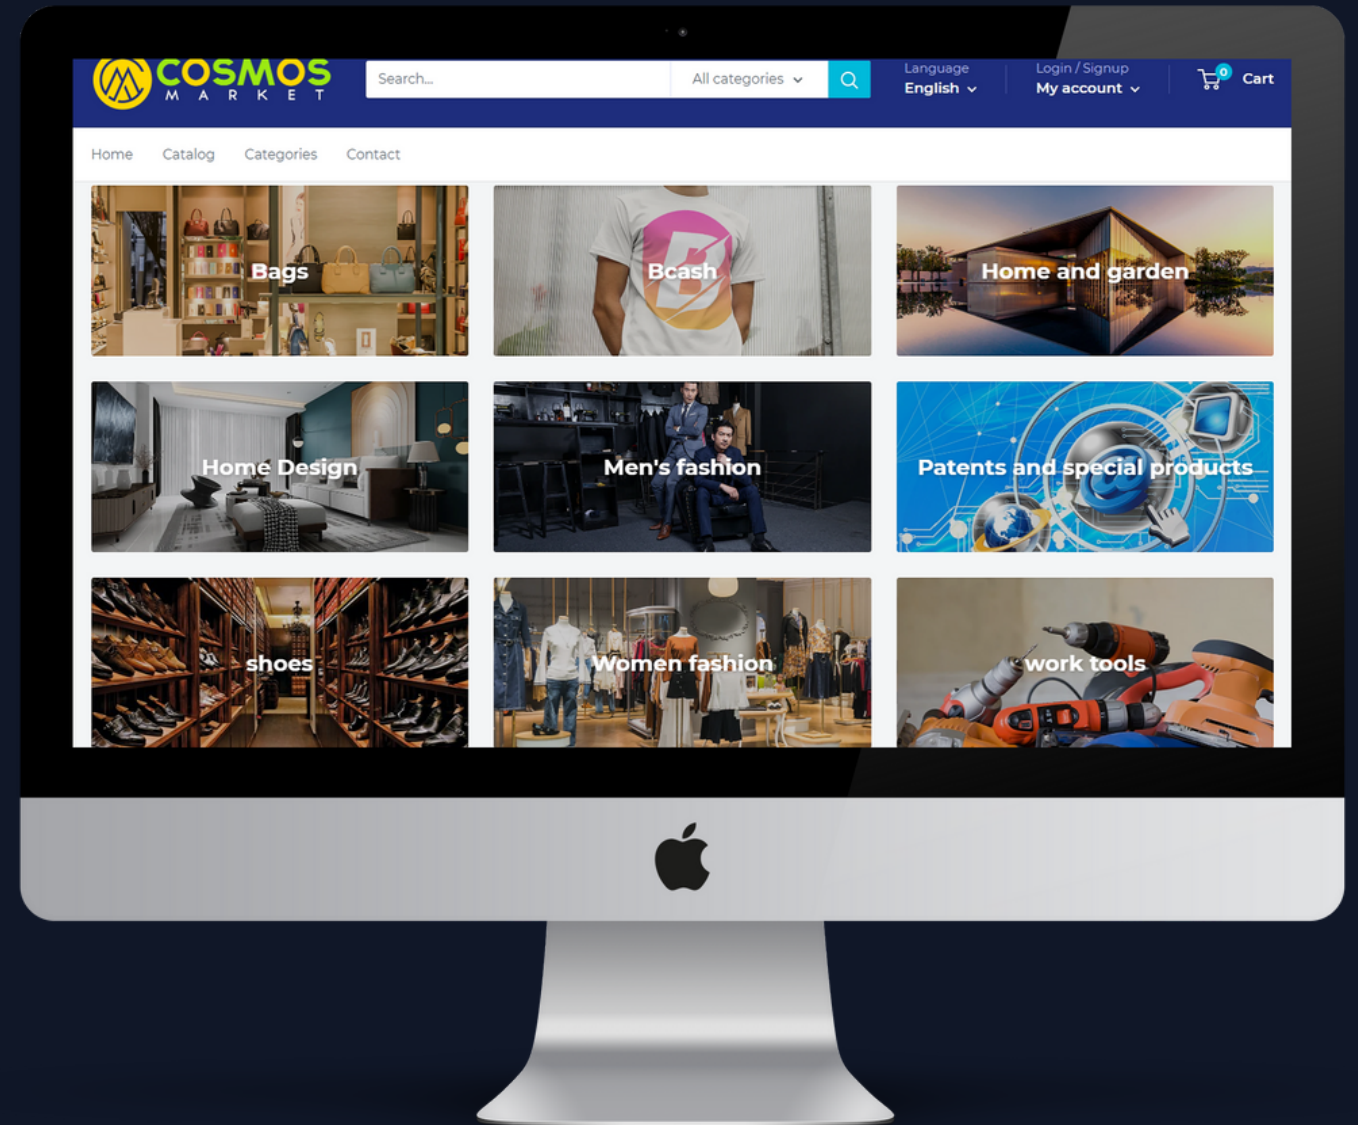

(now the option is only Bitcoin or Bcash
- additional currencies will be added
later) Here we will explain to you all the
steps on how to make a purchase at
COSMOS MARKET

1. Enter the COSMOS MARKET website **COSMOSMARKET.COM** and select a product or several products, select a model or color if necessary and add them to the shopping cart (or click buy now)
2. click on the shopping cart and select Checkout (If you do not have an account at COSMOS MARKET, you will be asked to register and open an account)
3. Before you fill in the order details - open a new tab and go to Bcash site Bcashcoin.com - if you already have an account in bcashcoin - log in to your personal account - if you don't have an account yet click here to register to Bcash and register to open an account
4. Log in to your account - now you can purchase a coupon to use in your purchase at **COSMOS MARKET** - the purchase of the coupon is made using your balance in the account (the balance funds come from the referral fees - or your deposits to your personal account)
5. If your balance is not enough to purchase the voucher, deposit money into the account on the Payments tab - select Deposit Funds and make a deposit
6. go to the Coupons tab, select the coupon value you need (as much as the final payment appears in **COSMOS MARKET**) and create a coupon for payment (as long as you have not used the coupon, you can always cancel it and create a new one)
7. Copy the coupon code you created - and paste it in **COSMOS MARKET** on the right side of the order page in the box where it says Discount code - and **click Apply**
8. Fill in your order details and shipping address - and then click **Continue to shipping**
9. Now click on **Continue to payment** - note that on the right side you have entered the coupon to pay for the product and your total is **0**
10. Now the payment page informs you - that there is no need to pay - because you transferred payment using a Bcash coupon. Now click on **Complete order**
11. Your order has been completed - the order details have been sent to your email - when the order is sent you will receive a notification to your email
12. You can also track your package through the app - click on **Download shop to trak packaga**
13. You can always track your order in **My Account - Orders**

Now we will see in the pictures how to do each step

Enter the COSMOS MARKET website and select a product or several products, select a model or color if necessary and add them to the shopping cart

Add the product to the shopping cart

click on the shopping cart
and select Checkout

(If you do not have an account at
COSMOS MARKET, you will be asked to
register and open an account)

The screenshot displays the COSMOS MARKET website interface. At the top, there is a search bar and navigation links for 'Language English', 'Login / Signup My account', and 'Cart'. The main product page features a DEKO 220V Electric Screwdriver (TOOL-DKED10Z1) with a 600w motor and 13mm chuck. The product listing includes a '1 YEAR Limited Warranty', '10 DAYS Fast Shipping', and '15 DAYS Free Return' guarantee. A 'Checkout' button is highlighted with a blue mouse cursor. A shopping cart overlay is visible on the right, showing the total price of \$23.80 USD and a 'You saved \$8.00!' message. The cart also displays the product name and a 'View cart' button.
