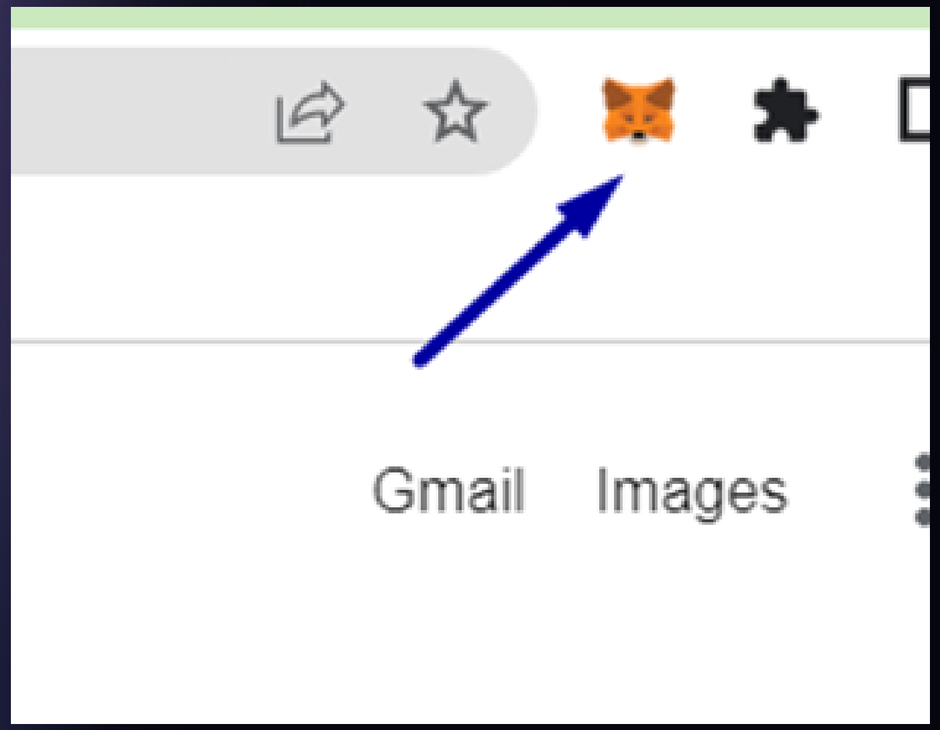
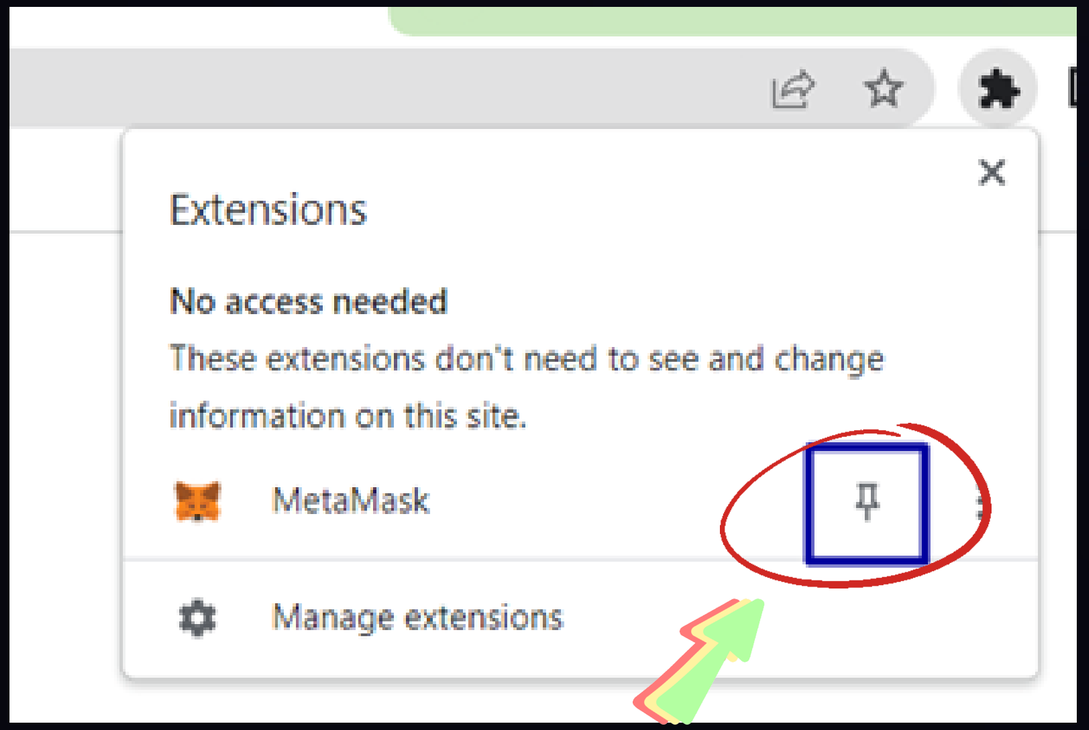
Secure your wallet

Before getting started, watch this short video to learn about your Secret Recovery Phrase and how to keep your wallet safe.

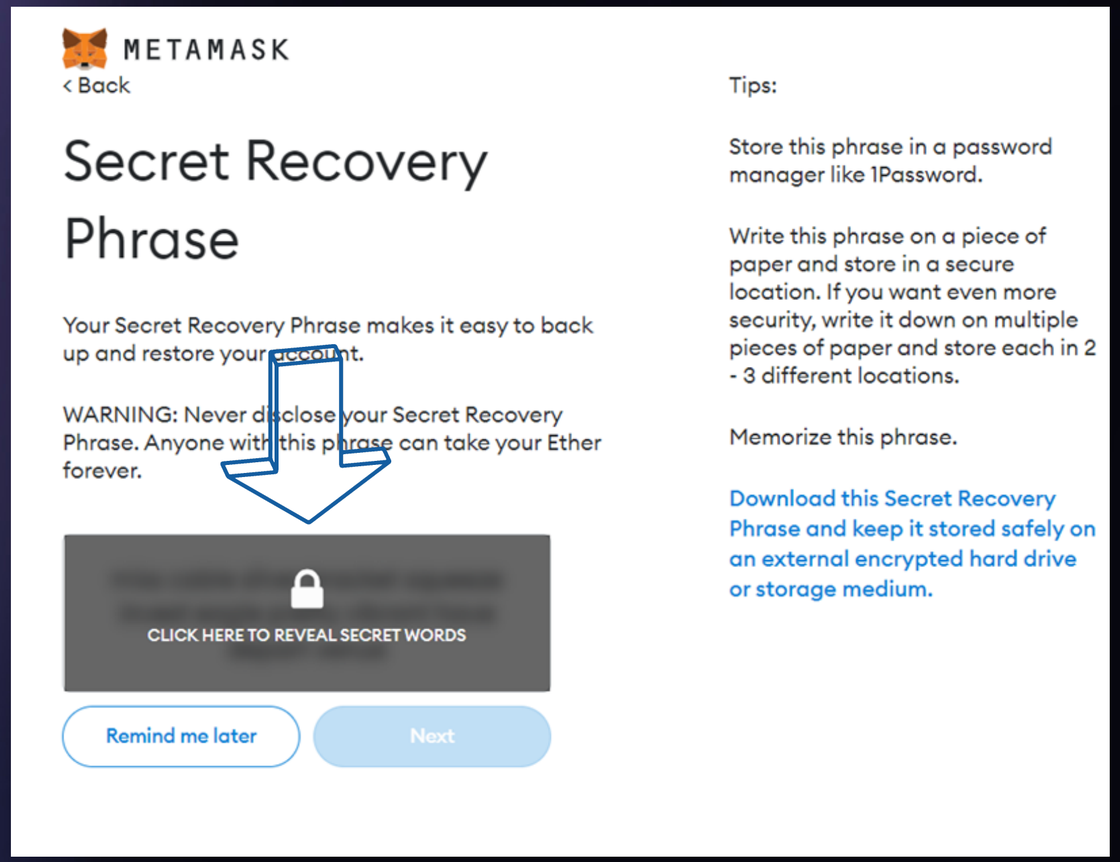
Next

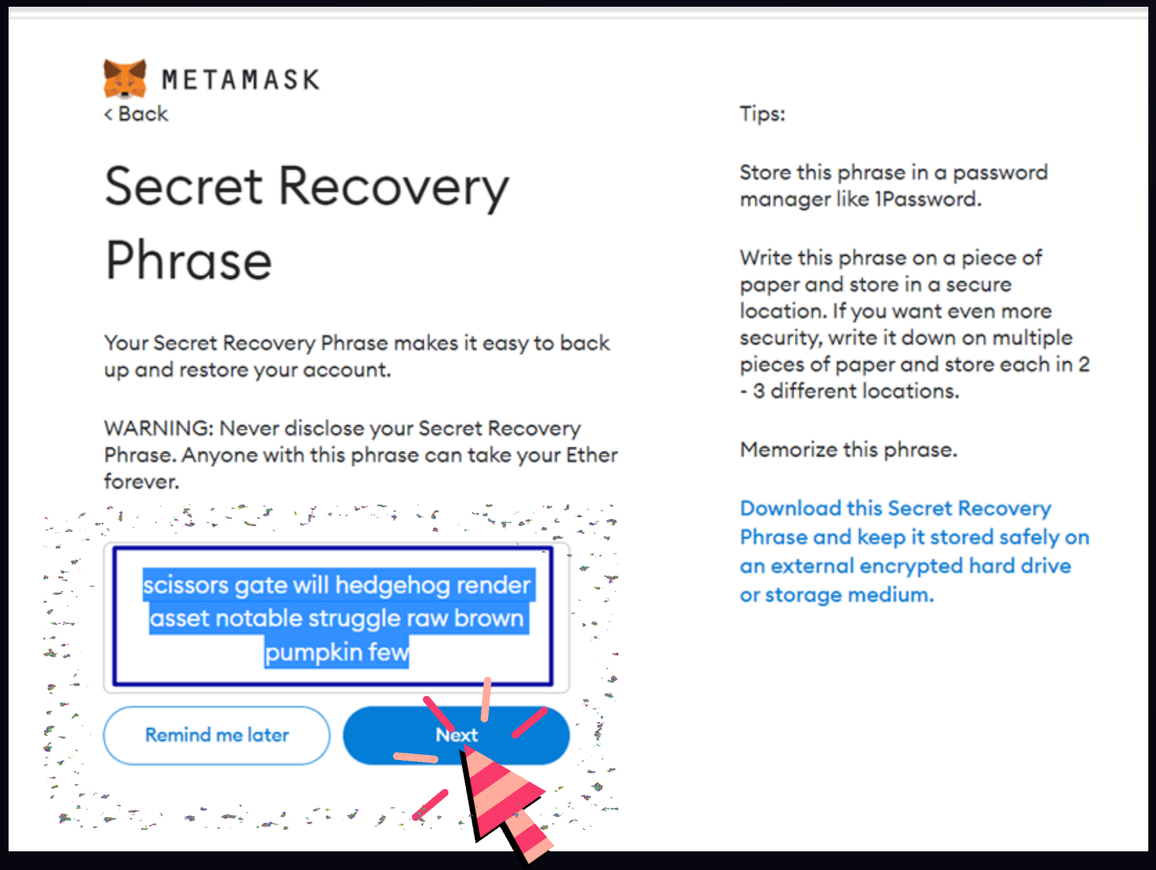
The wallet is added to the browser - you can keep it visible and accessible all the time





Write the seed phrase on the screen on a piece of paper





is very important that you write your seed phrase on a piece of paper and don't save it on your computer. The seed phrase is the only thing one needs to access your wallet, keep it safe

Confirm your seed phrase
